

## EXCLUSIONS AND LIMITATIONS:

This limited warranty applies to all VELUX products except VELUX products with SageGlass® electronically tintable glazing and except VELUX products purchased prior to January 1, 2004. The warranty period begins from the date the VELUX product is purchased from a VELUX dealer and must be substantiated with the original invoice or sales receipt. If the purchase date cannot be substantiated, the warranty period will begin on the date of manufacture as indicated on each product.

This warranty does not cover any labor cost associated with the installation of replacement products or components if VELUX chooses not to repair the product. The providing of replacement products or components shall not extend the original warranty period. VELUX reserves the right to provide a similar replacement product or component if the original version is no longer available at the time of the complaint.

This warranty excludes VELUX commercial skylights including but not limited to Dura-Lite and Metro-Lite products.

This warranty will only apply if the product is finished, installed and operated in accordance with VELUX instructions. This warranty does not cover the repair or replacement of products damaged as a result of accident, including but not limited to accidental glass breakage, problems due to water penetration such as ice damming not resulting from default in a VELUX product, abuse, misuse, faulty building construction or design, improper or insufficient handling, applications in areas of high humidity, areas without proper or adequate ventilation or humidity control, acts of God, products subjected to conditions outside their design limitations, minor imperfections in glass or plastic components that do not affect the product in performance or obscure vision; minor variations in glass or plastic coloration; damage caused by corrosive environmental factors including acid rain; variations in wood grain or color; wood rot due to improper maintenance or installation. The warranty on insulated glass is void if any film is applied to the glass surface. Normal wear and tear is not covered by this warranty, nor are problems arising from failure to properly maintain the product. Custom painted skylights, roof windows, VELUX SUN TUNNEL™ skylights, flashings are not

covered by this warranty. Glass corrosion as a result of standing water and debris on glass are not covered by this warranty. Condensation on roof windows and skylights and any related water damage, which may occur as a natural result of humidity within a building or a variation between indoor/outdoor temperatures, is not a defect and will not be covered by this warranty.

## VELUX INSULATING GLASS

For a period of (20) twenty years from the date of purchase, VELUX warrants to the End-user\* that the insulated glass unit will not develop a material obstruction of vision due to a failure of the glass seal. If a seal failure is brought to our attention during this time period, VELUX will, at its option, 1) provide a replacement pane delivered free of charge to the original point of purchase or to the End-user, or 2) provide a replacement roof window or skylight product with an insulated unit delivered free of charge to the original point of purchase or to the End-user.

## VELUX ROOF WINDOWS, SKYLIGHTS, SUN TUNNEL™ SKYLIGHTS AND FLASHING

For a period of (10) ten years from the date of purchase, VELUX warrants to the End-user that VELUX roof windows, skylights, SUN TUNNEL skylights and flashing will be free from defects in material and workmanship. If a VELUX roof window, skylight, SUN TUNNEL skylight or flashing product is found to be defective during this time period, VELUX will, at its option: 1) provide a replacement component or a replacement roof window, skylight, SUN TUNNEL skylight or flashing product delivered free of charge to the original point of purchase or to the End-user, or 2) repair the roof window, skylight, SUN TUNNEL skylight or flashing without charge for material or labor.

**10**  
YEARS

The components of insulated glass, electric control systems including motorized operators and rain sensors, and blinds (pleated shades, venetian blinds, roller shades, lightblock shades, and awning blinds) are warranted separately from the roof window or skylight as described by this limited warranty.

## VELUX BLINDS AND CONTROLS

For a period of (5) five years from date of purchase, VELUX warrants to the End-user that VELUX blinds (pleated shades, venetian blinds, roller shades, lightblock shades, and awning blinds) and controls such as electrical systems including motorized operators and rain sensors, handles and rods will be free from defects in material and workmanship. If a defect is brought to our attention during this time period, VELUX will, at its option: 1) provide replacement components or a replacement blind or control product delivered free of charge to the original point of purchase or to the End-user, or 2) repair the product without charge for material or labor.

**5**  
YEARS

\*End-user means the natural or legal entity or person who owns the product and has not acquired it with a view to reselling or installing it in the course of a business.
