

PARAMOUNT WINDOWS®

Quality For Life®

ALL INCLUSIVE “LIFETIME” WARRANTY

Paramount Windows Corporation (“Paramount”) guarantees for “A LIFETIME” to the original consumer purchaser of Paramount windows, and doors installed in a single family home or an owner occupied multi-family dwelling by the builder for new construction or by the Original Purchaser as replacement windows and doors, that Paramount will repair or replace Paramount Products that are defective in materials or workmanship and will repair or replace those products at no charge. If repair is not practical or cannot be made in a timely manner, then Paramount will, at the Original Purchaser’s option, either replace any defective Paramount Products or refund the purchase price.

The “Lifetime Warranty” starts on the date of purchase of the home as new construction or the installation date of Paramount windows and doors in the home as replacement windows and doors, and remains in effect as long as the Original Purchaser owns the home.

In addition, Paramount Windows Corp. will extend all terms and conditions of its warranty to include homeowners other than the original homeowners. Paramount agrees that once a second owner takes possession of the house, the warranty will remain in effect for a period of 9 years from the original date of closing of the original homeowners. It is further agreed that any subsequent homeowners will be covered up to 9 years from the original date of closing of the original homeowners.

This Warranty does not cover damage or defects relating to misuse, abuse, the use of applied tints or films, alterations including but not limited to customer-applied finishes, normal wear and tear, bug screen material, broken glass, natural weathering of exterior finishes, acts of nature (e.g. fire, hurricane, etc.), building settling, structural failures of walls or foundations or improper installation, (unless installed by Paramount installations) storage, or handling or failure to properly care for and maintain the Paramount Products.

This Warranty in its entirety applies only to products purchased on or after August 31st 2009 for use in the United States.
